## Dear Friends & Families,

As we close out our summer and welcome that refreshing fall breeze—we are once again reminded that change can be a beautiful thing. I am sure that we are all ready to put this heat filled summer behind us.

One change to get excited for is the addition of our UTC social work interns, Kaley Bryant & Tabitha Schofill. We are excited to be able to have them join our team on Mondays and Wednesdays this semester. One of their first tasks is to assist with the scheduling of our reenrollment meetings, so if you haven't completed your meeting yet they will be reaching out over the next few weeks to make contact and hopefully set a time you can meet with us virtually or in person.

Need a zoom crash course or trial run? Join Mrs. De'Nesha for **Tech Tuesday Sept. 8<sup>th</sup>** for Tech Tuesday—as she will be available for assistance navigating the wonderful world of technology!

Our opening plan is once again under review from our Executive Team & Board of Directors with all our fingers crossed that we might be able to say “Welcome Back” in mid-September. As soon as we have a confirmed date, we will be notifying all our families who have completed their Reenrollment meetings and offering a one day a week opportunity to start.

In the meantime, remember to join us for Club SC weekly ZOOM meet ups  
**Wednesdays @ 11am**  
**Fridays @ 2pm**

Within this newsletter you will additionally find information regarding upcoming Club SC special events that you do not want to miss!

As always, please let us know if there are supplies you would like to borrow, or specific needs we might be able to assist with.
